## From the Desk of the Parish Director

◆ A major strength of any parish community is its membership. One group of St. Therese Parish members that continually bless our parish is our seniors. We have several very vibrant and vital members in their 70s, 80s, and 90s who remain active not only in the ministries of our parish, but also in the civic and national communities as well.

We have senior members who regularly volunteer at meal programs, at centers for tutoring children and adults, and go on mission trips within the US and to foreign countries. We have retired health care professionals who give their time and talent at clinics and outreach programs. Recently I heard one of our members share about a leadership position he has taken in his retirement complex. In addition, several of our senior members hold positions on boards and committees throughout the Milwaukee area. We even had one senior throw out the first pitch at a Brewers game and serve mass for the Archbishop!

Recently I visited my godmother who celebrated her 80th birthday this year. One of her accomplishments during her 80th year of life was the publication of her second book, entitled *A Gathering of Seniors*. I added a copy of this book to our parish library. You may want to check it out. It's an easy read and gives keen insight into the lives of seniors.

◆ On the other end of the spectrum, our young members (ages 3–10) need leaders for the Children's Liturgy of the Word during the 5:00PM Saturday and 10:00AM Sunday masses. Please consider this ministry as a way of passing on our faith to our young members.

Peace and blessings to you,

*Dr. Alexandra Guliano*

## Coordinator for Communion to the Sick and Shut-In Needed

We would like to offer Communion to the Sick and Homebound who do not have family members or friends to bring them the Presence of Christ in Communion. The Coordinator would respond to the request for Communion by pairing the person desiring Communion with a Eucharistic Minister willing to bring Communion to the homebound or sick person. If you are interested in this ministry, please contact Kathy Doyne at (414) 771-7555.

## Thank You

- ◆ To Ricia & Jim Prothero and Anne Nee for their special donations for the installation of the washer and dryer for Heck Hall Kitchen.
- ◆ To Tony Bippus for the donation of the washer and dryer for Heck Hall Kitchen.
- ◆ To Father Hugh Birdsall, SDS and Elterine Jankowski-Biggers for attending the liturgical workshop "A Knock At Midnight" this past week and representing our parish community at that conference.
- ◆ To Ricia Prothero for the birthday cakes for Rosemary Preschler's 90th birthday celebration after 8:00AM mass last week.
- ◆ To Leona McGraw, Alice Kennedy, Dusty Biggers, Terry Wissing, and Jim & Christine Jensen who participated in the Lawn Party on July 17th. Several large bags of weeds were removed, and mulch was spread along the 95th St plantings. If you'd like to join us, the next Lawn Party is August 12th from 6:00–8:00PM; details to follow!

## Coordinator(s) of Rides to Church Ministry Needed

We would like to help those in our parish who need a ride to church. Those needing a ride to church once or twice a month would be paired with parish members who live in the area willing to take the person to church. If you are interested in this ministry, please contact Kathy Doyne at (414) 771-7555.

## Parking Lot—What's With Those Signs?

Have you noticed the numbered parking spaces that for the spaces that border Bluemound and most of 95th St? We rent out 35 spaces Monday through Friday to Milwaukee Montessori School for their staff. The signs posted along 95th and Bluemound indicate that. However, there have been several occasions in which people have ignored the signage and parked in spaces reserved for teachers and staff of MMS. The rental of our parking lot spaces and our gym net the parish approximately \$24,000 per year. These rentals help us balance our budget.

What about the "no skateboarding" sign? Unfortunately, we also had to post these signs because of damage done to our St. Therese Shrine statue (over \$1500 in damage) and damage to our railing alongside the ramp (another \$1000). As you know, the ramp is very important, as it gives access to those with handicaps who are unable to navigate the steps to the church. The ramp is essential for our celebration of funerals, as the casket containing the body of the deceased loved one is carefully rolled up and down the ramp by the pallbearers.

Why "No Zoo Parking?" We had to restrict our parking because people visiting the zoo were taking spaces needed for funerals and weddings, particularly the handicap reserved spaces. We have more than a few occasions in which our own parish members, families, and guests were unable to park in our spaces because zoo patrons parked there. The Milwaukee Police Department instructed us to post a sign specifically addressing no zoo parking because the signage we had simply did not deter zoo patrons.

What about "no soliciting and literature?" Cars on our lot were leafleted several times during our celebration of mass. The leaflets ranged from political material to advertisements for businesses. Some of the literature was inflammatory and partisan. Again, we were advised to post signage restricting this activity.

### Question of the Week:

Do you ask so that you might receive or do you figure God already knows what you want?

### This Weekend is Sharing Weekend

The Recipient of the Sharing collection for July will be The Guest House of Milwaukee. The Guest House of Milwaukee provides shelter, housing, education, and services to Milwaukee's homeless, who seek to transform their lives with dignity and purpose. It is located at 1216 N 13th Street, Milwaukee.

Emergency Shelter is provided to approximately 460 guests (86 Beds). Food, clothing, hygiene items, telephone, mail service, and showers are available. There is an opportunity to move into transitional programming. A multi-faceted program aimed toward reclaiming independence is offered. There is also access to on-site substance abuse and mental health treatment service with trained Clinicians. Thank you for your past generosity and your future sharing.

### Liturgical Ministry Sign-Up

Sign-up sheets for servers, lectors, Eucharistic ministers, greeters, and ushers for September through December are now in the sacristy. Please indicate your mass preference and special requests in the spaces provided. With the change to 10:30AM Sunday mass, please be sure to update your preferences on the sign-up sheets. If you previously ministered at the 10:00AM liturgy, we will assume that you can minister at the 10:30AM liturgy, **unless you indicate otherwise**. The sign-up sheets will be available through Sunday, August 8th. Schedules will be ready the following weekend. If you are interested in joining one of the ministries, please add your name and phone number to the bottom of the appropriate sheet, and you will be contacted.

## Is the Summer Sun Giving You the Blues?

The summer weather may be beautiful, but are you finding that things just don't seem right in your life? Are you experiencing feelings of frustration, unease, or depression? Do you lose your temper easily? Are you lashing out at family and friends? If so, we can help. Ask to speak to a therapist at Catholic Charities' Milwaukee office: (414) 771-2881.

### Volunteer Minister Needed to Wash Liturgical Vessels

The various items we use for celebration of the Eucharist, the cups and plates, need to be thoroughly washed each week, in addition to the ritual cleansing done after mass. This ministry can be done anytime during office hours, before the 5:00PM mass on Saturday, or after the 10:00AM mass on Sunday. Interested? Please contact Dr. Guliano.

### Booths are Filling Up!

As of this writing, we officially have nine booths already reserved for our Harvest Craft Fair on November 6th/7th. This is way ahead of schedule compared to last year! Thank you for those that have invited family and friends to exhibit at this event, and please continue to do so. We also have some other needs:

- ♦ Do you make some great craft, but don't want to run your own booth? Please consider donating some items to the St. Therese Booth or the raffle. Our booth raised more than \$100 last year, the raffle brought in almost \$1000, and it was great to see all the beautiful things you had made.
- ♦ Please keep your schedule open for that weekend as we will need plenty of volunteers. The compliment we heard most from the exhibitors last year was how helpful our volunteers were, so a huge thanks to everyone who helped out. We're counting on you again this year!
- ♦ Almost all of our food last year was donated, which made our profit margin very healthy. We will again be asking for specific items in the next few weeks. Please keep an eye on the bulletin to find out what we need, and for other ways you can help.

For more information about volunteering, renting a booth, or donating items, please call Courtney in the Parish Office, or visit [www.sainttheresemilwaukee.com/craftfair](http://www.sainttheresemilwaukee.com/craftfair)

### All New Art & Environment Committee

A&E is now a committee under Building Services. Denise and Whitney would like to invite you to join a **new A&E Committee**.

This committee will be involved in the liturgical environment changes for each season. Bring your helping hands, artistic eyes and idea-filled minds and join us for a little work mixed with a lot of fun. The new A&E committee will have a monthly meeting (except June & July) to *discuss and organize* the details of any upcoming liturgical environmental changes.

Members will have a clear idea in advance of what will be expected of them so these changes can be done quickly and efficiently. We would like to have a working, well-staffed committee, formed by late September (the more people the better). All interested parishioners (men, women, and young adults) please contact Denise or Whitney (by phone or email) in the Parish Office. We look forward to working with the great volunteers in our St. Therese Community.

### CATHOLIC SCHOOLS MINISTRY

Prayers for educating our students.

The Newman family of St. Mary Parish in Menomonee Falls, believes so strongly in the excellence of Catholic education that they've sent 30 children over three generations to

Catholic schools. The Schools Office of the archdiocese, supported by the Catholic Stewardship Appeal, helps our 133 Catholic elementary and high schools serving 32,544 students. A Catholic education develops the whole student – mind, body, and spirit – providing religious instruction, high academic standards, and opportunities to live and grow in the faith that parents cherish for their children.
